JACOR STORES

As an added option to our Graduation Regalia Program, Jacor can **DESIGN A CUSTOM ONLINE STORE** for your students to order. We create a personalized URL for your school where your students can visit the store and purchase their regalia. They pay directly online and they will be supplied with an order number.

Online stores alleviate the task of getting the students to pay for and order their gowns at the school.

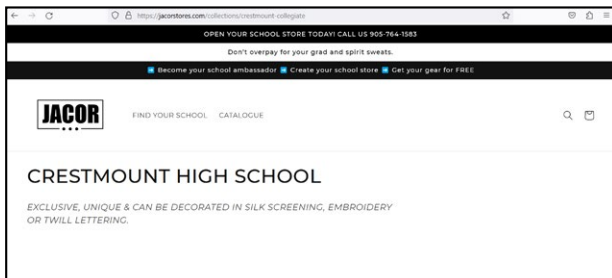

ADVERTISE THE STORE URL AND LET US DO THE REST!

Upon closing the store we will provide you with a complete Excel file of the names and sizes the students have ordered making distribution simple and easy.

You can offer other items on the store site such as Grad Gear or a special Grad Gift that parents can add to their purchase for their graduates.

Ask us today about a Jacor Store specifically designed for your school. Don't delay, get your store open today.
